

LEADING THE WAY 2024 ANNUAL REPORT

OUR GOD ALWAYS WINS

MICHAEL A. YOUSSEF

PH.D.

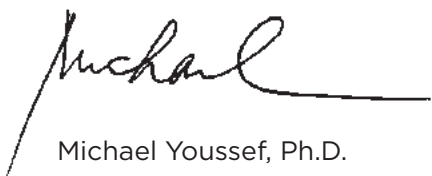

To My Precious Ministry Partners,

When we see the godlessness and turmoil raging in our world, the enemy of our soul whispers to us, “You can’t possibly make a difference.” But as children of the living God, we know the Truth: No matter what is going on in the world, God is always faithful to His Word. He is always at work. *And He always wins.*

In these last days, when the world is gripped by such evil, your partnership with *Leading The Way* is making an enormous impact for the Kingdom. This past fiscal year (July 1, 2023 – June 30, 2024), God opened many doors for us—including the opportunity to proclaim Christ before nearly 18,000 people in my home country, evangelize thousands of people previously unreached by the Gospel, achieve an exciting milestone on the digital mission field, release two very important books, and so much more.

As you read about the many lives transformed this past fiscal year, I want to encourage you that your prayers, your giving, your serving, your obedience matter. Thank you for standing with me as we proclaim the Good News of our glorious Savior to a lost world. God is working through you to draw souls into His Kingdom!

In Christ,

Michael Youssef, Ph.D.

BIBLICAL CLARITY IN A CONFUSED CULTURE

The Gospel. It's the driving force behind everything *Leading The Way* does, the reason Dr. Youssef has traveled the world 60 times over, and the reason you partner with *Leading The Way*. In FY24, God opened new doors for us to proclaim it boldly, with Dr. Youssef returning to his home country for a historic opportunity (see pp. 8-9), sharing Biblical insight on headlining topics through media appearances, and profoundly impacting readers around the world through two of his most foundational books to date.

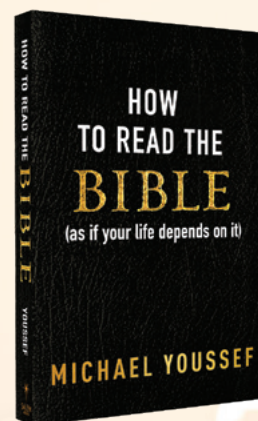

Drawing upon 50 years of preaching, Dr. Youssef's book *How to Read the Bible* quickly became a bestseller, opening readers' eyes to the overarching story of God's redemption woven throughout Scripture. Six months later, he released *Heaven Awaits*, bringing Biblical clarity to misconceptions about the path to heaven and encouraging believers to know as much as possible about their ultimate home.

**"HOW TO READ THE BIBLE IS THE
CULMINATION OF A LIFETIME OF
PASSIONATELY PROCLAIMING
UNCOMPROMISING TRUTH."**

— DR. MICHAEL YOUSSEF

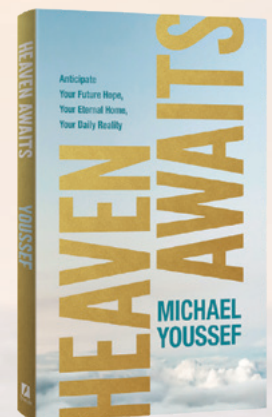

READERS SHARE THE IMPACT

"Reading this book was like hearing Dr. Youssef give you a one-on-one message straight from the pulpit."

"One of the most important books I've ever read. It came at exactly the right time and place in my life."

"Dr. Youssef paints a beautiful picture of heaven that will leave you yearning for more."

UNIQUE INSIGHT INTO ISRAEL

“You come to a point where you can’t just make peace at any price.”

Drawing from his Middle Eastern background and expertise as a cultural anthropologist, Dr. Youssef appeared on *The Watchman with Erick Stakelbeck* to provide a Biblical framework for understanding the current unrest in Israel and Palestine.

IN THE NEWS:

“I want everyone everywhere to hear the Gospel of Jesus and be changed.”

HEARTS REVIVED IN AMERICA

For half her life, Melissa had been a drug addict. Her addiction landed her in prison, and soon after, she received the devastating news that her husband had died. In desperation, Melissa prayed—and God answered.

"Two days after my husband's death, I cried out to God, and He saved me," she says. "Shortly afterward, He led me to the *Leading The Way LIVE* service online."

For Melissa, Dr. Youssef's messages, livestreamed from The Church of The Apostles every Sunday (LTW.org/LIVE), become a spiritual lifeline within the confines of the local prison.

"Dr. Youssef's programs [on the tablets in the prison] were such an amazing tool God used to mold me into the faithful servant I so desired to be for Him," she says. "When I needed words of encouragement, God let me hear them. When I needed confirmation, He gave it to me."

It was your partnership that enabled Melissa to hear Biblical Truth in her time of need—and it is your partnership that is now enabling her to thrive as she prepares for life beyond incarceration.

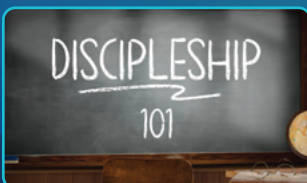

"I can't even describe what *Leading The Way* has done for me and my relationship with my Lord. . . . Your broadcast is guiding me," she says. "I am so excited to see what big plans God has for me out in the world. Thank you for everything you are doing for the Lord. Please pray for God to use me in whatever way He sees fit for His Kingdom!"

"The Word of God is the means God uses to change hearts and transform lives. This is why I won't stop proclaiming it until God calls me home."

— DR. MICHAEL YOUSSEF

Melissa is one of millions you are reaching here at home through *Leading The Way*. As listeners and viewers tune in to Dr. Youssef's messages, from cars to homes and even in prison cells, God is redeeming hearts in Christ and raising up a new generation of disciples ready to trust and obey His leading.

Among a crowd of nearly 18,000 people in Egypt, Hania knew God was speaking directly to her...

Hania was diagnosed with cancer at just 36 years old. In the wake of the darkest season of her life, she was abandoned by her family and friends. Her depression grew deeper with isolation.

Just as hope seemed farthest away, Hania was invited by a local church to *Leading The Way's* Evangelistic Celebration in Cairo, Egypt. Sitting among thousands, Hania felt God speaking directly to her through Dr. Michael Youssef.

That night, Hania surrendered her life to Christ. Shortly thereafter, she became involved in a local church and is already impacting others around her—ministering God's love to those experiencing health challenges, just like she experienced.

"I felt the kindness and mercy of the Lord," she says. "I felt Him saying to me, 'You are not alone; I am with you.'"

Hania is one of [nearly 10,000 people](#) who gave their lives to Christ [this year alone](#) after hearing Dr. Michael Youssef preach in person at one of *Leading The Way's* Evangelistic Celebrations.

Dr. Youssef Returns to His Home Country for Historic City-Wide Evangelistic Celebration

 **Cairo, Egypt** — Born in Egypt and having fled a socialist dictatorship, Dr. Michael Youssef's prayer has always been for the people in his home country to know Christ. When the opportunity came for him to return and preach the Gospel before thousands, it was a door only God could have opened.

"In a country where Christians face extreme restrictions, this access to openly share the Gospel is a gift that could only come from the Lord," Dr. Youssef shared.

In the midst of turbulent wars and ongoing unrest in the region, thousands traveled from across the Middle East and North Africa to attend *Leading The Way's* city-wide Evangelistic Celebration with Dr. Youssef on November 3, 2023.

The scale of the event was unprecedented, becoming the largest Christian event in Egypt's history as well as the very first multi-denominational gathering.

Nearly 18,000 attendees flooded the 10,000-seat outdoor venue to hear the Word of God proclaimed as Dr. Youssef preached a dynamic message on the end times, urging listeners to surrender their lives to Christ while the door is still open: *"When you put your whole trust in Jesus Christ, when you love Him with all your heart, He will protect you from the danger that awaits the world."*

Nearly **8,000 people** surrendered their lives to Christ, and 35% of those who made decisions for Christ were youth.

LIVES CHANGED

"It was the best day of my life being in God's presence."

"Once I heard Dr. Youssef's sermon and the invitation to surrender my life to Christ, I couldn't stop myself from standing up."

"After the Celebration, my life changed, and I became a new person."

"It has never happened in Egypt to have a Christian event with so many people and to see such a large number respond."

— REV. SAMEH MAURICE, CHURCH PARTNER

PROCLAIMING CHRIST

IN THE MOST POST-CHRISTIAN CITY IN AMERICA

Springfield, Massachusetts — What was once the birthplace of the First Great Awakening has now become the least-churched region in America—and it's where God opened doors for Dr. Youssef to passionately proclaim the Gospel at *Leading The Way's* Rise Up New England Celebration.

LIVES CHANGED

"The simple message of John 3:16 and the explosion of worship onstage gave me a new fire and more hope than ever before."

LIVES CHANGED

"I was encouraged to see many come forward to give their lives to the Lord. God is on the move!"

Just miles away from where the revivalist Jonathan Edwards preached the message that ignited America's First Great Awakening, Dr. Youssef emphasized the saving love of Christ:

"No religious system can save you or assure you of eternal life in heaven. Only Jesus can! No matter how many times you've rejected His invitation in the past, He's extending an invitation to you tonight. Come and be assured of eternity in heaven."

By God's grace and through your support, within a week, approximately 80% of those who made decisions for Christ had already received personal follow-up and been connected with local churches. For local pastors, the Celebration was an answer to their prayers for God to once again spark revival in New England—an area not typically sought out by most ministries.

HEARTS AWAKENED

in Dublin and Belfast

Dublin & Belfast, Ireland — “The Bible tells us that the door of salvation will not stay open forever,” Dr. Michael Youssef proclaimed to the people of Ireland. “The opportunity to respond to God’s loving invitation is now.”

In September 2023, Dr. Michael Youssef stood before thousands at *Leading The Way’s* Hope Ireland Evangelistic Celebrations to share the simple Truth spoken by Jesus in John 3: *You must be born again!* In a spiritually dry nation, lives were transformed as many came to the altar to surrender their lives to the Lord.

Seven months after the Celebration, the *Leading The Way* team continued to hear from ministry leaders on the ground about the impact of Hope Ireland. One pastor shared, **“Our church is still riding the wave of blessing and seeing fruit from all *Leading The Way* has done in Ireland.”**

“I thank God for His servant Dr. Michael Youssef! I could see his love for souls . . .”

— VERACRUZ ATTENDEE

LIVES CHANGED

“I was so encouraged to witness the harvest at Hope Ireland and see so many give their lives to God.”

MORE THAN 16,000 PEOPLE HEAR THE GOSPEL IN MEXICO

Veracruz, Mexico — On April 27, 2024, a police officer was working security at *Leading The Way’s* ‘Come and See’ Evangelistic Celebration. As he was patrolling the venue that night, he heard the uncompromising Truth of the Gospel—and was moved to tears.

Sensing that God was doing something in the man’s life, a trained volunteer from the event approached him and asked him if he would like to surrender his life to the Lord. God had already prepared his heart, and he said yes! That very night, the police officer was saved from spiritual death to eternal life in Christ.

This man was one of 1,439 who responded to the Gospel invitation and put their faith in Jesus.

This is the power of the Gospel! Thank you for your partnership in making these strategic city-wide outreaches possible.

LIVES CHANGED. FAMILIES BAPTIZED. AN ENTIRE REGION TRANSFORMED.

CELEBRATING THE IMPACT OF 15 YEARS
OF THE KINGDOM SAT

“Do you believe the Bible is God’s infallible Word? Do you accept Jesus’ death and resurrection? Do you confess that you have been saved by the blood of Jesus?”

For those leaving Islam to follow Christ, answering “yes” to these questions is one of the most dangerous decisions they’ll make. But that’s the power of the Gospel—and that’s why, just months ago, a former Muslim named Walid from Iraq responded to those exact questions at his baptism, along with his wife and three children. His answer? Not just “Yes,” but “Absolutely. Without a doubt.” That day, he and his entire family all went under the water together—declaring absolute trust in Jesus.

In a nation like Iraq, where only 0.28% of the population are evangelical Christians, how did Walid and his family hear the Gospel?

“It was THE KINGDOM SAT team member who inspired me, through the Holy Spirit, to live for Christ and give my life to Him,” Walid shared. His journey began when he came across the Arabic teaching videos of *Leading The Way’s* KINGDOM SAT TV channel. He then connected with one of our Biblically-trained counselors—also a former Muslim—who helped lead him to Christ. But Walid couldn’t keep his faith to himself. So, he told his wife and children—and they, too, were saved.

A REMARKABLE YEAR FOR NAVIGATORS

26 COUNTRIES, ONE GOSPEL MESSAGE

Rural villages. Blind communities.
Underground churches. Persecuted
believers confined to their homes.
All reached through your partnership.

Scorching temperatures, copious rainfall, rising hostility toward the Gospel—none of this could stop our work together. Despite significant obstacles and great risks, with the help of trusted partners, *Leading The Way* successfully transported 10,000 *Navigators* to unreached people groups in Bangladesh—where 99% of the population is either Muslim, Hindu, or Buddhist.

After receiving the *Navigators*—*Leading The Way*'s solar-powered audio devices—thousands heard the Gospel for the first time in their native tongue of Bengali. As a result, **5 new churches were planted with more than 400 people surrendering their lives to Christ!**

And that was just the beginning. Your impact in Bangladesh continued when, after traveling to areas where *Navigators* had been distributed—places without access to electricity, internet, and traditional broadcast media—one of our partners heard something amazing: the messages on the *Navigators* playing faintly in the village.

So many were coming to Christ that a large group of Islamic leaders rallied together to confront our trusted partners, seeking to confiscate the *Navigators*. **Though the boxes were stored in plain sight, the leaders could not see them and gave up their search.** The rest of the *Navigators* were then sent to another hiding place and are ready to be transported to more Bangladeshi people this year.

Government clashes, deadly unrest, and the imprisonment of Christians have resulted in widespread tension among the Bangladeshi people this year. The country, **home to nearly 300 unreached people groups**, is now hearing the Word of God in their native Bengali language.

Thanks to your partnership, illiteracy, technological limitations, and isolation are no longer barriers to sharing the Gospel in far-off lands.

“I believe that God is starting a revival in Bangladesh, and it may even be the beginning of a movement in that nation.”
